Start by going to our website

[www.latzoumaz.ch/vip-R2](http://www.latzoumaz.ch/vip-R2)

or clicking on the QR code below:

It is a page exclusively dedicated to second home owners who receive the «VIP Pass».

Once you've arrived on the page in question, you will find all of the information you need concerning the content of your «VIP Pass» for summer 2025.

Please note the general terms and conditions of use applicable to the «VIP Pass» – it is very important that you read them. Once the pass has been activated, accepting these general terms and conditions will be deemed as you having formally acknowledged them.

2.

On the right-hand side of this page, you can then add the number of passes to which you are entitled to your basket. You have the option to activate one pass now and others later.

Once you have selected the number of passes, click on “Into shopping basket”. You will be redirected to a page where you can allocate and activate your passes.
